

STEVE GREGG

Radio Talk Show host of "The Narrow Path",
Bible teacher, and author.

Steve Gregg, has lectured internationally for the past 50+ years on biblical subjects. He has also fielded questions on the radio for over 25 years.

His **LIVE, COMMERCIAL-FREE, Bible Q & A radio show, The Narrow Path**, can be heard **every weekday, 2:00-3:00 PM (Pacific Time) in over 30 states, on over 80 radio stations, in the U.S** (many major cities such as, Detroit, Los Angeles, Las Vegas, New York, Portland, Seattle, Phoenix, etc). and reaching into **Canada and Belize**. (Other areas hear half the show beginning at 2 or 2:30 PM. The **live** links and archives can be found at the website.

Steve is entirely non-denominational in his views, though his ministry began in the 70s Jesus Movement when attending Calvary Chapel, Costa Mesa California. In 1981 he was ordained as a teaching elder at Calvary Chapel of Santa Cruz. Through decades of Bible study, his convictions have undergone independent development. Though entirely orthodox, he does not always answer questions predictably or in-line with a particular denomination. It is not Steve's concern to convince anyone of his own viewpoints, but to encourage every listener to engage in intelligent, independent study and analysis of the scriptures. **Characteristic of Steve's teaching is his fair-minded presentation of various denominational viewpoints alongside his own, so that the hearer can make up one's own mind.**

Steve's lectures are **FREE**, but seating capacity is often limited, so you may want to arrive a little early. If there is food provided by churches or other hosting organizations, they may have a fee, however, Steve does not charge for speaking at any event.

Radio Q&A Call-in # 844-484-5737

Live Access http://www.thenarrowpath.com/radio_program.php.

Feel free to bring questions about Christianity; the Bible, other faiths, the theory of evolution, hard sayings of Jesus, etc. to the radio program or live Q&A events. If there is a topical lecture scheduled, there is often an opportunity to ask questions at the conclusion.

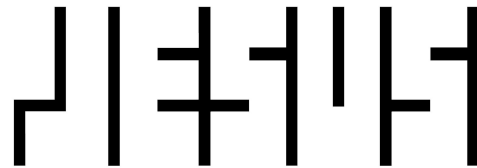

*How to think... not what to think!
Education - not indoctrination.*
